# WELCOME TO MAGELLAN COMPLETE CARE

---

First, you need to pick a Primary Care Doctor. The doctor will send you to a specialist if you need one. There are a lot of doctors to pick from. You should also pick a doctor for each member of your family.

Next, make an appointment with your doctor. This will give him or her a chance to get to know your health. Remember, you do not want to wait until you are sick to pick a doctor.

All of your health care is provided at your doctor's office or through written referrals from your doctor. In an emergency call 9-1-1 or go to the nearest Hospital Emergency Room. Sometimes you may have a medical problem that is not really serious and your doctor's office is closed. For those times you can use an Urgent Care service. Check this book or call 1-800-327-8613 (TTY: 1-800-327-8599) for a list of offices.

At Magellan Complete Care, we want to get you the best care.

*The doctors in this network do not work for Magellan Complete Care.*

*Some doctors may not perform services based on religious or moral beliefs.*

*Your Member Handbook must be looked at to find out exact terms, coverage, limitations and exclusions.*

**Note: The doctors and hospitals in this book are updated as of the day the book is printed. Sometimes new doctors are added to our plan or others may leave our plan. We advise that you call us at 800-327-8613 or visit our website at [www.MagellanCompleteCareoff.com](http://www.MagellanCompleteCareoff.com) to make sure that the doctor is in the Plan.**

# REFERRALS

---

Your Primary Care Doctor is the doctor you will see first. If needed, he/she will send you to a specialist. They will work together for a treatment plan.

For hospital affiliations for providers please call us at 1-800-327-8613.
