AlphaCare Managed Long-Term Care

With AlphaCare's Managed Long-Term Care (MLTC) plan, you can continue to see your own doctors, including your Primary Care Physician and any specialists you might require under your Medicaid or Medicare. When you enroll in AlphaCare, you will also have access to the services from our network of providers listed in the Provider Directory.

The AlphaCare Provider Directory contains a list of our participating providers in Queens, the Bronx, Kings (Brooklyn), New York (Manhattan) and Westchester counties.

Every provider has been carefully chosen and credentialed, and you can be confident that each one, including home health aides, skilled nursing, meal delivery services and therapists, is qualified and insured, and has met all of the applicable requirements for certification or licensing.

If you need help finding a network provider or to get the most up-to-date information about AlphaCare's network providers in your area, please call:
